

Policy for BPA Funding of Non-BPA Events and Activities (adopted March 19, 2013)

A. Support can be provided only if the event or project helps build a stronger sense of community and/or enhances the neighborhood, and only to local organizations with ties to Barron Park that reflect the values of a majority of the members of the BPA.

B. Requests should be in writing from the organization's president or organizer to the BPA-Board explaining the purpose of the event or the organization's activity and their intended use of the donation and how it will enhance, enliven, energize or otherwise benefit the Barron Park community. All requests should be recorded in Board meeting minutes.

C. Requests for more than \$100 must be on the agenda of a Board meeting and the individual requesting our support shall obtain written acknowledgement by the organization's president or organizer when the funds are received that includes an indication of how the funds were used per the original request and indicates how our support was publicly reported or advertised (signage, web page, email announcement...)
